## SHORT COURSE

MOUNTAINSHADOWS

PARADISE VALLEY, AZ

The Short Course is a charming par-3 golf course, relatively quick and fun to play. The elegant design and layout challenges experienced golfers to control their distance and swing, while beginners can bump along each hole on wide-open greens. While the course itself is a joy to play, it's the breathtaking views of Camelback and Mummy Mountains, along with the scenic desert surroundings, that make the course a true destination.

## A natural beauty.

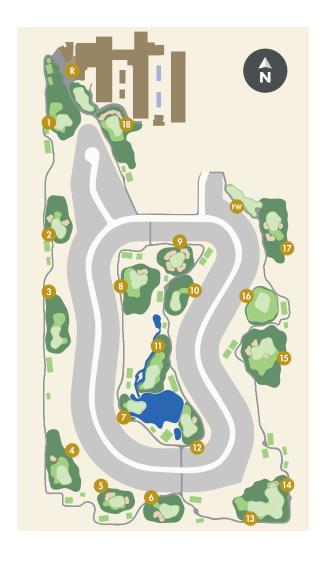

Golf course architect Forrest Richardson designed the course by incorporating the natural landscape and beautiful vistas into each hole. Rugged slopes, rising ridges and dramatic mounds are perfectly set in the shadows of Camelback. As shots careen off the mound, mysteries unfold over ridges, and curved embankments create trickier shots than originally perceived.

## RUSTY'S PATIO & LOUNGE

Rusty's patio & lounge feeds hungry golfers and spectators in classic style. After a day on the links, some good-natured ribbing between friends may be in order. What better place to go than Rusty's, where golfers can lick their wounds after being a little rusty on the course? It's a friendly, casual environment where golfers can reminisce about the good ol' days and buy each other a round of drinks after a quick jaunt on the course.
